DisplayLink certifies that the product named above conforms to the requirements of the DisplayLink Certification process, and that the manufacturer may display the DisplayLink Certified logo on the product, its packaging, manuals, advertising, and PR material whether in electronic or other form, as per the DisplayLink Certified Logo Guidelines (NR-101311-MM). The DisplayLink Certification process does not remove the need for the product to comply with all applicable national and international standards, and does not provide any warranty regarding the product's conformance to national and international standards, nor make any claims regarding its fitness for purpose.
