## ATLONA TECHNOLOGIES AWARDED GSA CONTRACT FOR SCHEDULE 58-1

GS-03F-0019W Atlona Technologies now offering its award winning products to US Government agencies through GSA schedule 58-1 GSA # GS-03F-0019W.

San Jose, CA, Nov 11, 2009 -- Lenexpo Inc., DbA Atlona is pleased to announce its award of a General Services Administration (GSA) contract number and inclusion on GSA's Schedule 58-1 for Professional Audio/Video Telemetry/Tracking Recording/Reproducing and Signal Data Solutions. Atlona's full line of audio video connectivity solutions are now available on the GSA Schedule 58-1, which can be found on the GSA Advantage! online ordering and shopping website, making Atlona hardware products more readily accessible to government agencies and their respective purchasing agents around the world.

"Atlona's solution based products are already known to many government agencies on a state and local level. We have developed sales relationships with a number of military facilities, the National Weather Service, the Department of Defense, the Department of Homeland Security, and Federal circuit court locations," said Christopher Bundy, Director of Marketing for Lenexpo Inc, DbA Atlona. "GSA will help increase product awareness among Government agencies that are in need of our unique and often mission critical solutions."

### About GSA

General Services Administration (GSA) is a federal agency that helps government agencies find and purchase products and services for their workplace. Their goal is to provide access to efficient agency solutions for the best value. More information is available at <http://www.gsa.gov>.

### About Atlona

Atlona Technologies is a dynamic solutions based manufacturer of Audio Video technology. Their product line has grown to cover almost every conceivable solution in the industry with new innovative products in development continuously. Whether your application is for professional broadcast, or a home theater installation, Atlona has you covered.
